

## **THE CAPITAL MARKETS AUTHORITY RESOURCE CENTRE PORTAL IS HERE!!!**

Are you seeking for information on capital markets but do not have time to visit our resource center?

Are you doing research or looking for information on capital markets but are not based in Nairobi County?

**THE CAPITAL MARKETS AUTHORITY RESOURCE CENTRE PORTAL IS YOUR ANSWER**

### **What is the Resource Center Portal?**

Cognizant of the role information technology continue to plays in information service delivery the Authority developed an Online Resource Center portal that employs modern Information Communication Technologies to facilitate online access to the rich information held by the Resource Centre.

The Resource Centre Portal is geared towards making more information content available online and to remove geographical barriers in accessing of the same. The portal will act as an interface to the Resource Centre information and services through a single access and management point for the public.

### **What are some of the Key Features of the Resource Center Portal?**

- Unique electronic collection of financial statements and accounts for all the listed companies on the Nairobi Securities Exchange dating from the 1990's to the present-day;
- Electronic collection of Information Memorandums and Prospectuses on various transactions approved by the Authority;
- Basic key Capital Markets data and statistics;
- Guide to e-resources that the Authority subscribes to online;

- Provides an interface to accessing the Resource Centre collections through the Online Public Access Catalogue (Web OPAC);
- Provides a link for updating news and publications in the Resource Centre;
- Provides an interface for engaging users to give feedback;
- Creates a platform to link the users with our partners who are also using such platforms to deliver information.

Once the portal is fully operational it will, serve as an international gateway to accessing information on Capital Markets in Kenya.

### **Tell me about the Authority's physical Resource Center?**

As part of our mandate to promote investor education and public awareness, the Capital Markets Authority operates a modern Resource Centre which is located on the 3<sup>rd</sup> floor of Embankment Plaza along Longonot Road in Upper Hill. The Resource Centre houses specialized collection of books, journals and publications covering subjects related to the capital markets, such as financial products, investment planning, accounting and corporate governance among others.

The Resource Centre boasts a unique collection of financial statements for all the listed companies on the Nairobi Securities Exchange dating from the 1990's to the present-day. This provides a critical reference for both local and international researchers and scholars on the securities exchange and the listed companies.

In order to ensure access to the latest global market trends and data, the Authority also subscribes to a host of e-resources including journals, magazines and online databases on capital markets.

### **Great, how can I access the Resource Center Portal?**
